

**April 1 Statement from the
Stonewall Kickball DC Leadership Team on COVID-19 (Coronavirus)**

Due to the ongoing and likely long-term efforts to combat COVID-19, the SKDC Leadership Team, in consultation with captains, has decided to cancel the Spring 2020 kickball season (Season XX). We will make a decision on Summer REMIX at a later date.

We hope to resume Season XX in the Fall and are currently planning for that scenario. We plan to reimburse all players and Friends Of (including fees) who are registered for the Spring season. You should see your refund credited to your account shortly after April 8. Your captains will be providing you additional information about this season's t-shirts and tank tops. We request your patience as we work through this process.

This was not the season we envisioned, and we understand that people will be disappointed by this decision. Rest assured that we hope to have the most fabulous Season XX redo in the Fall. In the meantime, we want to extend a special thanks to all those in our SKDC family currently working on the front lines during this pandemic. Thank you for your service.

Stay safe and healthy and we look forward to the day when we can all be together again.

- SKDC Leadership Team
