Helpful Steps Through the Registration System

Tip: If possible, complete registration on a laptop or desktop to reduce risk of system rejection during the payment process.

Step 1: Go to SKDC.info and hover over "League Play" at the top of the page.

Step 2: Under "League Play," click "Fall 2022 Registration" from the drop down menu.

Step 3: On right side, click "Register," and then select your designation "Free Agent" (if you haven't picked a team) or "Team Player" (if you have a team already).

For Free Agents

Step 1: Create or log into account.

Step 2: Answer registration questions, then read and agree to waiver. Click "Register for Season."

Step 3: Enter payment information, making sure to click to submit. (Note: If your payment is rejected, ensure your billing address is entered correctly or try another card.)

For Team Players

Step 1: Create or log into account.

Step 2: Select Team (Note: Team Captain must create team before team players register for it).

Step 3: Answer registration questions, then read and agree to waiver. Click "Register for Season."

Step 4: Enter payment information, making sure to click to submit. (Note: If your payment is rejected, ensure your billing address is entered correctly or try another card.)

Free Agent Selection

- For any free agent not selected at the Free Agent Social, the Leadership Team will work to have them placed on a team; however, free agents should recognize that *it is primarily **their** responsibility to join a team*. If in the unlikely event the Leadership Team is unable to place a free agent, the free agent's registration fee will be refunded.
